

Do you drive, enjoy the company of others and want to make a difference in the lives of others?

Consider serving as a Volunteer Driver!

The Need

Imagine you needed a ride to the doctor's office, shopping or work and there was no way that you could get there. There are many people in the North Penn area that have no access to services or socialization. Their mobility is critical to their quality of life, well-being and peace of mind. Transportation is a key to making a difference in someone's life.

What is the Volunteer Driver Program?

The Volunteer Driver Program matches volunteer drivers with individuals that have no other transportation options to access the necessities of life, doctor's appointments and social happenings. Using their own personal vehicles, drivers can volunteer from 9 am to 4:30 pm Monday through Fridays.

Why Become a Volunteer Driver?

- You can make a big difference in someone's life by improving their mobility
- It will enable you to meet new people, build lasting friendships and give you an opportunity to network
- Becoming a volunteer driver will provide you with increased feelings of personal gratification and enrichment and a stronger connection to your community

How Do I Become a Volunteer?

Complete a Volunteer Driver Application form. The application contains information on your availability to volunteer, your general health, your current driver's license, your ability to maintain liability insurance for your vehicle and a criminal background check. All new drivers will participate in a driver's orientation program and receive guidelines on a variety of topics.
