

June 14 2016 Membership Meeting Minutes

Location: Abington Jefferson Health Willowood Bldg, Willow Grove, PA

1. Coordinator Ella Roush offered a number of updates and announcements of trainings, meetings, etc. which were detailed on the agenda.
2. Abington Jefferson Health Community Needs Assessment – Kathryn McCarter, Director, Community Education, reported on the findings of AJH’s 2016 Community Health Needs Assessments for Abington Hospital and Abington Lansdale Hospital. Mental health needs ranked high on the list.

3. *Enroll America* Briefing – Neil Deegan, PA State Director, discussed recent learning about what is most effective in getting uninsured people enrolled in ACA. They have found that one-to-one, repeated reminders often work to encourage people to enroll. Large group meetings have been least effective. We highlighted VNA-CS’s Personal Navigator Program and their work to enroll people.
4. Task forces and members gave updates on their work and announcements of value to other members.
